

This is a miscellaneous list of items (COST IN PESOS) purchased in 2011 on the Baja Peninsula and along the Pacific coast of Mexico between Mazatlan and Manzanillo

We probably spend about the same on groceries in Mexico as we did at home in California, but we did not choose to cruise Mexico to save money on groceries!

In general, the quality of items is as good as what can be found in the U.S.

item	year-month/city/store	price (pesos)
apples, granny smith	2011-02/PV/Mega	35.90/kg
apples, granny smith	2011-05/la Paz/Soriana	27.90/kg
